Open Minds Across Canada Mental Health Symposia 2013

The Timmins Native Friendship Centre is hosting the 5th Annual Open Minds Across Canada Mental Health Symposia on **October 2nd, 2013** from 8:30-2:30pm. We are one of 10 chosen sites across Canada to host this event. The purpose of this days' event is to bring awareness to community members and agencies of the affects of numerous traumas our Aboriginal population has been through historically. By raising awareness, we hope to share research findings, resources, and provide information and support to community service providers and members to better comprehend and support our clients, family and friends.

*The event is free and lunch will be provided.

PRESENTERS

- ◆ Jonathan Zinck-Commitment Conditioning
- ◆ Melanie Verreault-NEOFACS
- ◆ Melissa Violette-NEOFACS
